

RCSC BOARD MEETING  
SUNDIAL AUDITORIUM  
1/28/10 9AM

SUBJECT: REQUEST FOR A RECALL PETITION

Noel Kasper #65427

Between August and December 2009, when the board was faced with repeated membership quorums of adamantly protesting Members, the board ignored their pleas and proceeded to pass motions that increased membership quorums from 100 to 3500, increased the PIF by 20% in a depressed real estate market, removed Concealed Weapons Permit holders' rights to self-protection on RCSC property when the RCSC cannot guarantee their security, and decreased the deadline for petition circulation from 180 days to 90 days to make it harder to have a successful petition drive outcome.

I hereby request that the board's votes on these issues be rescinded immediately.

If the board refuses my request, I am, hereby, submitting my request for a recall petition.

The RCSC Articles of Incorporation guarantee that in a dispute between the board and the Members, the action of "the Members shall prevail." I am hereby delivering the requisite documentation to the board according to Board Policy #5 requesting a recall petition to recall the following RCSC Board Members: Gene Westemeier, Craig Brown, Diane Worth, Sue Painter, Jim Bishop, and Tom Loegering.
