Sun City, AZ 85351

Dear Noel & Anne:

Thank you for your letter and petition to “save the sundial monument” submitted to the Board today at the monthly Board meeting. The Board has been discussing this issue and reviewing comments from the Members over the past several days including the comments made during the Board meeting today.

The Board has considered all the Members comments and we have made the decision to restore the sundial monument. You stated in your letter, and in Noel’s verbal statement to the Board today, that you will not proceed with your proposed petition if the Board decides to retain the sundial; therefore, we are taking no further action on the petition request you submitted.

Thank you.

Sincerely,

Vance Coleman, President
Board of Directors
