Re: Letter of September 27, 2012

Dear Noel and Anne:

The Board has reviewed the letter you hand delivered to the Board on September 27, 2012. The Board did approve Motion #1 at the Board Meeting.

Your letter requests a petition and, as you know, you can submit a proposal to the Board, as described in Board Policy No. 5 which states:

Before an initiative petition is filed, the party or parties intending to circulate and file such a petition, will submit the proposal (in the exact language that the initiative will contain) to the Board of Directors. The Board will have sixty (60) days from the date of submission to accept or reject the proposal. If the proposal is accepted, the petition will be assigned a petition control number by the Secretary of the Corporation.

Sincerely,

Vance Coleman, President
