We thank Judge James Treece for his May 29 letter in support of me since RCSC Board Member Dave Wieland has joined RCSC President Jim Brasher in publicly slandering me to prevent people from donating to the “Anne Stewart” Legal Fund.

I want RCSC to obey state statutes and the community documents because RCSC:

- increased the quorum for membership meetings;
- holds closed work sessions;
- orders members to turn off tape recorders;
- charges unequal assessments;
- removes voting rights and privileges;
- spends millions without a membership vote;
- caused the demise of the Sun City Pops Band by charging unneeded guest and rental fees;
- interferes with the clubs by making them match donations unnecessarily; and more.

Since RCSC removed meetings, petitioning and member communication, lawsuit is the only action left for the members to hold RCSC accountable.

Members pay for RCSC’s counsel but have no counsel of their own. So, I hired counsel and established the “Anne Stewart” Legal Fund.

As a homeowner I have standing to sue RCSC. I am not a professional fundraiser so do not need to incorporate or register with anybody. And I am bonded.

RCSC slanders me to stop my fund-raising. RCSC endangers my life when I go door-to-door by maliciously characterizing me as “dangerous,” warning people to be “cautious”.

Beware of RCSC board members who intentionally disparage the reputation of a member who intends to hold them accountable in court.

Help by contacting me at 10526 W Tropicana Cir, (623) 933-6192 and (602) 318-0708. Donations are not tax deductible.
